system In 1990, Deutz-Fahr introduced a whole new concept of cab design with the first "open view" tractor. This was followed in 1995 by the launch of the Agrotron, a range that redefined the very concept of the farm tractor with its spacious panoramic cab and, just one year later, the first suspended front axle. In 2001, Deutz-Fahr

### **6G SERIES - Deutz Tractors**
